2nd March 2009

Dear Water Polo Colleague

The Jersey Water Polo Association would like to invite your water polo club to join us at our annual outdoor water polo tournament to be held on Saturday 5th and Sunday 6th September 2009 at Havre Des Pas bathing pool.

Havre Des Pas is a sea water pool refreshed by the high tide and offers Jersey's only deep water pitch. The tournament will run from 11am-5pm Sat and 11-3pm Sunday. The pitch availability being governed by the tides, so games will more or less need to be completed within this timeframe. Ideally we would like to have 6 mens and 4 ladies teams competing.

A small tournament fee of £50 per team will be charged. This will go towards organization costs and prizes for the winning team.

If your club would like to attend please confirm your interest as soon as possible. Team entries will close one month before the tournament. And obviously with travel to and from Jersey the earlier it's booked the better.

Yours in Water polo

Nat Snook
President JWPA
